

8th May

We are now only a few days away until the Rob Burrow Leeds Marathon and the Leeds Half Marathon. We write to share our final update ahead of the big event. Thank you to you and the incredible team across the City Council for supporting these events. Not only will these events raise vital funds, they will be a great way to showcase the city and its incredible community spirit.

Should you or your constituents have any questions, please direct them to the Run For All website using the links below.

We hope the details below assist with final event day details.

Road Closures update

Residents across the route will have begun to receive our road closure information postcards and letters. This information will provide timings and locations of road closures, parking restriction and crossing points. We have also distributed this information to businesses and key partners via our email database.

Road closure advanced warning signs have been installed around the city and Variable Message System (VMS) will begin to display event warning messages from today.

Detailed information regarding road closures per area is readily available on the Run For All website along with specifics regarding diversions, crossing points as well as an interactive map.

Volunteer & Community Engagement

There is still time to sign up to volunteer! We have hundreds of volunteers supporting the event but any extra pairs of hands would be incredible. If you know of anyone who may wish to volunteer or a community group who are looking to support the event, please email eventeers@runforall.com. We will then send over all details with how they can be part of this very special event.

Care Homes and Carer Access

Run For All continue to work to help reduce the events impact on Care Homes and Home Care services.

Any Care Workers or Care Providers requiring to cross the route can be directed to this webpage where they can apply for a pass to use at the dedicated crossing points:
